

President's Report

In 2015 Volleyball WA (VWA) and the volleyball family continued to work hard in many areas so as to build on the strategic directives and goals of the association.

The VWA Board was sad to lose Kim Ellwood as vice President due to her work commitments. We thank Kim for her many years of service to the volleyball family in one capacity or another and look forward to her again being involved in the future.

A review of the skillset of the Board and our strategic directives identified the need for new members with specific skillsets. We have been able to secure the services of Ian Phipps, Katie Timms and Greg Dodd who among their many skills, bring strong financial acumen to the board. We appreciate the work that they have already contributed to our sport, in particular Ian, who has done a tremendous amount of volunteer work in the short time he has been on the board.

The Board continues to establish and implement the many various aspects of the VWA Strategic Plan 2014 – 2017, as ratified by our membership in 2015. The new members combined with the long term stability of the Board membership continue to allow robust and challenging conversations at our monthly meetings. All decisions are thoroughly discussed and made with the goal of continuing to grow the sport of volleyball in Western Australia, and attempting to keep the majority of our stakeholders happy, although at times this is difficult.

I sincerely thank all of the Clubs and Associations and their Committee members for continuing to support VWA. The VWA Board recognizes that changes are not easy for our members but we appreciate the ongoing support that VWA and The Board have received in pursuing these changes

that in the long term will be of great benefit to the sport.

In particular, a huge body of work has been completed in 2015 on the CRM and Database. VWA has led Australia in this area and long term we envisage that Volleyball Australia and all of the states will implement the system that we have developed in association with our partner Fortix. I sincerely thank all involved for the amazing work that has been done and look forward to seeing the benefits of the new system to both VWA and all members when it is rolled out in 2016.

The 2015 Annual Clubs Conference in September was combined with the WAVL finals and the VWA annual dinner in a very big weekend for volleyball in WA. Overall the feedback was that this was a great success and we look forward to bringing an even better weekend in 2016. The Clubs Conference proved again to be a fantastic forum to get all stakeholders together for excellent discussions to continue to grow of our sport through agreed key policies and procedures and strategic priorities for the entire sport.

Integral to these ongoing discussions has been the ongoing advice provided to the VWA Board by the very active, knowledgeable and proactive VWA Committees. Thank you to all the members of each of our VWA Committees and Working Groups;

- AVL Working Group
- Beach Committee
Chairperson: Damian Oldmeadow
- Beach Handbook Working Group
- Coaching Committee
Chairperson: Paul Prindiville
- Constitution Working Group
- CRM Working Group
- High Performance Review Group

- Indoor (WAVL) Committee
Chairperson: Robyn Kuhl
- Junior Committee
Chairperson: Craig Butler
- Referee Committee
Chairperson: Dani Francis
- Sponsorship & Marketing Committee
Chairperson: Robyn Kuhl

I would like to thank our supporting partners for their support throughout 2015 and look forward to their continued support in 2016. We would like to acknowledge our partnership with Healthway and their 'Alcohol. Think Again' message and sincerely thank them for their ongoing support. VWA also acknowledge the ongoing support of WA's Department of Sport and Recreation. They are a significant partner to volleyball in Western Australia and we thank them for all their assistance and support.

I would like to acknowledge and thank all our VWA sponsors and stakeholders including all of our many volunteers, clubs & associations and their members, the coaches and referees, and the many competitors, participants, their parents and families.

A huge thank you again to the amazing Robyn Kuhl, supported by her managers Helen Shields (nee Webb) and Martin Suan and staff in 2015. Together they work far in excess of the hours they are paid for to run the State Volleyball Association that is the envy of the rest of Australia.

Our hard work and success was recognized at the Volleyball Australia annual awards in 2015 with WA staff and volunteers picking up some prestigious awards. First and foremost congratulations to our Executive Director Robyn for being awarded the Walter Lebedew Administrator of the Year as acknowledgement for her expert leadership in WA as well as the assistance

that she provides to Volleyball Australia and other states.

The evergreen super-referee Danielle Francis was rewarded with the Bob Foot National Referee of the Year. We are also pleased that Dani is making a remarkable recovery from her nasty neck injury late in 2015 and look forward to her returning to full health with whistle in mouth in 2016!

VWA's own Martin Suan received the coveted Joe Hillier National Coach of the Year award with his tireless efforts in coaching over many years.

Finally, it was exciting to see Luke Perry acknowledged as one of the best young Liberos on the planet when he took out the Ted Kalkhoven Most Outstanding Australian Male Player proving that there is still room in international volleyball for athletes of all heights! Well done Luke and congratulations again to our deserved National award recipients.

In closing I congratulate our 2015 Life Members: Nick Bew, Danielle Francis and Stephen Page, and our 2015 Award of Merit Recipients: Rory Read and Laurel Wentworth. It is indeed a honour to receive these awards.

It has been a pleasure to once again serve as President of Volleyball WA.

Damian Oldmeadow
President

Executive Director's Report

2015 has been another exciting and busy year of ongoing development, change and implementation of a number of projects that the volleyball family has continued to embrace. Thank you to each and every one of you.

The ongoing roll-out of the DSR / JGC Workforce (paid and unpaid) Development review, in conjunction with the continuing work required to support the priorities of the VWA Strategic Plan, meant that the VWA Board was able to implement a number of operational aspects within the organisation. From a VWA office staff perspective this meant the employment of new staff members to support the areas of planned growth within the sport.

Due to the successful application to the Department of Sport and Recreation for an Inclusion grant for CaLD (Culturally and Linguistically Diverse) participation, Karen Wickham was employed as the Diversity and Participation Development Coordinator. After some concerns in relation to the ongoing future of Healthway grants, VWA was notified that there would be continued funding to the sport and to this end VWA welcomed Jasmin Karwacki as the Game and Club Development Officer.

Linked with the employment of these positions, VWA was then able to embark on specifically targeted projects pertaining to identification of the numerous CaLD groups that are currently playing volleyball or have an interest in playing volleyball. Extensive work has also been undertaken in assisting the clubs and associations with their ongoing coach and referee education requirements. There is still a great deal of work to be undertaken in these two areas, but a positive and proactive start was made in 2015.

The VWA office continued to work through the identified areas relating to technology and system upgrades. We would like to acknowledge our partnership with Fortix and thank them for their assistance in this ongoing project. Whilst on occasions it has been challenging it is a very exciting new environment for the entire volleyball family.

A special thanks to the VWA CRM Working Group and Helen Shields (nee Webb) for all their work throughout 2015. The efforts in 2015 will mean that 2016 will be the year that this project reaches the stage of implementation.

Once again in 2015 the VWA Annual Report is presented to reflect the six strategic priorities for volleyball from 2014 to 2017. They include the following;

- Strong Foundations
- Contemporary Profile
- Inclusive Participation
- Quality Events
- Pathways
- Stakeholder Engagement

The content of the VWA Annual Report indicates the many activities that are delivered by the volleyball community in Western Australia and you are encouraged to read the pages following this report. In way of the 2015 highlights for the volleyball family;

- Completion and acceptance of the VWA Constitution at the VWA Special General Meeting held on the 19 September 2015. Thank you to the VWA Constitution Working Group and Phil Gregson (DSR Consultant) for your help and assistance in completing this significant task.
- Completion and endorsement of the extensive and thorough VWA Risk Management Policy and Strategy. These have both been provided to all VWA affiliated members

- The ongoing Memorandum of Understanding with the Indoor Beach Federation (IBF). Thank you to Rod Taylor (the outgoing IBF President), Mark Johnson (the incoming IBF President), Craig Elphick (IBF Administrator) and Darrel Fox (IBF Representative VWA Board) for their ongoing commitment and support of the volleyball community throughout Western Australia.
- The receipt of a Country Sport Enrichment Scheme grant (\$30,000) from the Department of Sport and Recreation to host a round of the Australian Volleyball League (AVL) in Albany. A special thanks to Albany Volleyball Association for supporting this extremely successful event.
- The inaugural Alcohol.Think Again Beach Volleyball Tour event in Esperance. A special thanks to the Esperance Volleyball Association for supporting this fantastic opportunity for the sport. Congratulations are also extended to the Esperance Volleyball Association for their fundraising and sponsorship achievements for 2015 – they raised \$92,000 for the development of the sport in Esperance!
- The inaugural Fortix Volleyball Challenge held in November 2015. Over 20 corporate teams participated including VWA sponsor Hit 92.9. VWA would also like to acknowledge our strategic partnership with Fortix –thank you!
- The DSR State Sporting Association grant of \$17,000 that provided us with the opportunity to provide small grants (up to \$800) to the VWA Clubs and Associations. These grants were to assist clubs with such items as writing a new Constitution, the completion of club policies, marketing opportunities and the like.
- Congratulations to the many athletes, coaches and referees that have represented VWA in the National Championships and have been successful in Australian Volleyroos selection. Well done to you all!

A very special thankyou to the VWA Board and VWA Staff team. 2015 has once again been a year of incredible growth linked with the many, many hours of hard work so as to ensure that the sport continued on our journey of improvement and growth.

In 2015 we said goodbye to Max Wason, Siddharth Hivarker and Courtney Jashari, thank you to each of you. VWA welcomed Jenette Brown, Irene Alsonso Chartier, Jasmin Karwacki and Karen Wickham to the staffing team. Thank you also to Cole Durant who assisted in a short term employment contract.

On behalf of VWA, I recognise and thank all of our sponsors and stakeholders that have supported VWA throughout 2015. Special acknowledgement is extended to our major stakeholders: the Department of Sport and Recreation, Healthway and their Alcohol.Think Again message, Hit 92.9, Volleyball Australia, Fortix and Sunday Times / Perth Now for your ongoing support.

Congratulations to the entire volleyball family for continuing to embrace the many improvements and changes introduced throughout the year. I sincerely thank you for your continued understanding, support and commitment throughout our ongoing journey.

Strong Foundations

2015 VWA Industry Think Tank Group (ITT)

The Industry Think Tank Group did not meet in 2015 as the key priorities from 2014 remained the same for 2015. It was agreed that a meeting would be scheduled for the beginning of February 2016 to review the priorities for the next 12 months.

To this end, as in the previous years, the priorities continued to include open and transparent communications, integrated planning for the entire volleyball community, developing pathways for all participants and identifying the right people to provide and share expertise and knowledge. The following individuals are members of the VWA ITT;

Damian Oldmeadow & Robyn Kuhl (VWA Board Representatives)

Tyler Gow (Regional Associations Representative)

Martin Suan & Rory Read (Beach Representatives)

Peter Batty, Kalina Bartlett, Mitchell Collins & Stue Carr (Indoor Representatives)

Darrel Fox, Mark Johnson & Rod Taylor (Indoor Beach Representatives)

2015 VWA Committees

The discussions of each of the Committees align with both the priorities as set by the ITT and also that of the VWA Strategic Priorities as developed and discussed at the annual Clubs Conference and then reviewed annually by the VWA Board.

The VWA Committees provide all members of the volleyball community with the opportunity to provide feedback and discussion around the strategic and operational aspects within the sport. We are extremely grateful to all members of our VWA Committees and thank each member for their ongoing contribution to VWA.

VWA High Performance Review Group (HPRG)

In 2015 the VWA HPRG continued to develop a draft of the national volleyball Foundation, Talent, Elite and Mastery (FTEM) Pathway Model. In May 2015, this document was accepted at a Volleyball Australia Pathways meeting as the model that would be implemented Australia wide.

The HPRG work groups continued their work in the following areas, so as to assist the ongoing development of the pathway and FTEM Model:

- Skill development models and common language
- Sports medicine and physio screening
- Information retention and monitoring

The group also commenced work on the establishment of a volleyball Development program and State Team (Beach and Indoor) pre-requisites for both athletes and coaching staff to be implemented in 2016. In conjunction with this, VWA was successful in applying for a Department of Sport and Recreation (DSR) Grant for \$15,000. This grant will commence in 2016 and provide support to the ongoing development of these exciting programs.

The HPRG review group consisted of;

Damian Oldmeadow (VWA Board, VWA Beach Committee Chairperson, Star Physio)
Paul Prindiville (VWA Board, VWA Coaching Committee Chairperson)
Robyn Kuhl (VWA Board & EO)

Angie Ayers	Martyn Binnie
Gareth Bowen	Mitchell Collins
Cameron Edwards	Travis Luff
Martin Suan	
Craig Butler (joined July)	

VWA Constitution, Policies & Procedures

The VWA Constitution was ratified at the April 2015 VWA AGM and then formally adopted at the VWA SGM held in September 2015. VWA acknowledges and thanks the Constitution Working Group Kalina Bartlett, Peter Batty, David Hedge, Stephen Page and Helen Shields (nee Webb) for their help and assistance to development of the new VWA Constitution. VWA would also like to acknowledge and thank Phil Gregson the DSR Consultant for all his input into this process, and both content and the format for this new document.

A number of new policies were developed and agreed by the VWA Board in 2015. They included; the Membership Policy, and a comprehensive Risk Management Policy and Strategy.

VWA Strategic Plan 2014 - 2017

In 2015, the VWA Board continued the implementation and review of the VWA Strategic Plan. This was discussed at length at the VWA Clubs Conference and the list of the 2016 Priority Outcomes was identified.

2015 VWA Clubs Conference

The Volleyball Conference was held on the 19th & 20th September 2015 at DSR. All Clubs and Associations, with the exception of the North West, Mandurah and Bunbury Associations attended.

Contemporary Profile

2015, saw the development and implementation of Phase One (base level) of the Volleyball WA database / CRM in partnership with Strategic partner, Fortix. This 'Base' level involved the transfer and cleaning of the data from VWA's previous database, consultation with clubs and staff, process review and creation of training materials, resulting in a fully functioning database.

Phase Two will be delivered in early 2016 and will provide the CRM functionality, including on-line membership and event entry through a Member Portal and club access to their membership data through a Club Portal.

VWA would like to thank the members of the VWA CRM Working Group for their work and assistance in the scoping workshops;

Kamie Ang, Aaron Bailey, Kalina Bartlett, Stuart Carr, Mitchell Collins, David Hedge, Lindsay Matthews, Sharon Parker, Ian Phipps, Helen Shields, Declan Walsh and Beth Williamson.

Thank you also to the Fortix representatives;

Paul Faix, Hadizah Hallid and Kelly Parsons.

VWA increased its presence on Instagram, Twitter and Facebook, experiencing a growth in Facebook page likes to 2,352 and 63,062 website visits for the year. Volleyball WA also continued to produce its fortnightly e-newsletter, Volley Voice, which is sent out to a distribution list of 2,833 subscribers, sharing information, updates and good news stories from around the sport.

In 2015, VWA, made the decision to cease working with Project3 on a monthly contractual basis and implemented an ongoing relationship that would be project based. As a result the responsibility for the ongoing Sponsorship & Marketing activities

were placed under the remit of the VWA Operations section managed by Helen Shields (nee Webb) as the Operations and Support Manager.

VWA continued to work in partnership with key sponsors during the year and were pleased to deliver the inaugural 'Fortix Volleyball Challenge' in November 2015. Over 20 corporate teams participated, including VWA sponsor Hit 92.9.

The event raised over \$10,000 for partner charities 'Sock it to Sarcoma' and Camp Quality'. The event was a resounding success and has been added to the VWA calendar for 2016.

Volleyball WA also welcomed LJ Hooker – Willetton, Shelley and South Lake to the VWA family as a supporting sponsor.

In addition to existing radio and media partnerships with Hit 92.9 and Sunday Times / Perth Now, VWA and the sport raised additional exposure through WA Weekender, airing a volleyball episode in April. Thanks to Martin Suan, Cole Durant and Shelby Maher for their involvement in front and behind the camera.

Volleyball WA would like to thank the Sponsorship and Marketing Committee for championing and supporting a number of these initiatives.

Inclusive Participation

Following 2014, it became important for VWA to actively engage persons from diverse backgrounds and connect with diverse communities in WA.

At the end of July 2015, through the Inclusive Sports Funding Grant from the Department of Sport and Recreation (DSR), Karen Wickham was employed as the VWA Diversity and Participation Coordinator.

This position is responsible for creating sustainable opportunities for, and increasing participation rates of, people from CaLD backgrounds. This includes integration diversity / engagement strategies within Volleyball WA, including member clubs and associations and increasing knowledge and awareness of the best practice engagement strategies.

Multicultural Programs

VWA connected with Communicare and the Edmund Rice Centre who run DSR funded sporting programs that focus on engaging low participation groups (CaLD, aboriginal and low socioeconomic). Volleyball was added to the list of sports for the first time in Term 4 in both programs.

- A program was run at the Australian Islamic College (Thornlie) for girls only for six weeks. This program culminated in an Interschool Multisport Carnival where 194 students from the Australian Islamic Colleges (Thornlie and Armadale) and Cannington College.
- The Local Parks Volleyball Program was held at the Herb Graham Centre. Four sessions were coached by VWA staff; Cole Durant and Irene Alonso Chartier with a focus on upskilling two youth workers who participated in a Level 2 Coaching Course in November.

Cultural Awareness Education

- VWA staff participated in the Office of Multicultural Interests Diverse WA Online Cultural Competency Training Package as part of their cultural awareness education.
- Volleyball Club and Association officials participated in a Cultural Awareness workshop held at the 2015 Clubs Conference by the Edmund Rice Centre. Free Cultural Awareness Training sessions are now available to clubs.
- Diversity and Engagement Fact Sheets have been circulated to club officials and will continue in 2016.

Relationship Building

- New relationships have been formed with the following associations, local governments and groups that have helped introduce and support VWA in CaLD communities:
 - Metropolitan Migrant Resource Centre Mirrabooka
 - Communicare
 - Nepali Association of Western Australia (NAWA)
 - Office of Multicultural Interests
 - Town of Victoria Park
 - Western Australian Multicultural Association
 - Council for International Students of Western Australia
 - Sri Lankan Cultural Society
 - State Sporting Association Inclusive Officers
- VWA has also improved existing relationships with community groups and service providers
 - Edmund Rice Centre
 - Inclusion WA
 - Filipino Australian Sports Association (FASA)
 - Perth Pinoy-Aus Sports Club Inc. (PePSCI)
 - Phoenix Language School

Alcohol. Think Again Country of Origin 2015

- 2015 was the first annual Country of Origin Beach. There were 11 pairs from eight different countries; Italy, Poland, Fiji, Brazil, Germany, Mauritius, Japan and Serbia.
- The 5th Annual Country of Origin Indoor saw 28 teams from 15 different countries; Philippines, Japan, Brazil, Hong Kong, Samoa, Australia, Afghanistan, Mauritius, Taiwan, Poland, India, Malaysia, Nepal, Sri Lanka and Italy.

VWA Supported Diversity Events and Activities

VWA participated in a number of diversity events in 2015. These events allowed persons from varying backgrounds and skill levels to have fun playing volleyball, learn a few new skills and receive additional information on clubs and ongoing VWA activities.

- Department of Sport and Recreation Harmony Week Event
- ATMA Cycles Multi-sport madness
- Inclusion WA Joondalup Welcome Day with Northern Suburbs Volleyball Academy
- WA Association for Mental Health Beach Sports Day with Perth Beach Volleyball School
- Welcome to Australia Walk Together Family Fun Day with Southern Cross Volleyball Club
- VWA supported Borderless Friendship by donating volleyballs to the Hill Tribe children in Northern Thailand.

Sporting Schools

The Australian Sports Commission's Sporting Schools Program officially rolled out in July 2015. Unlike the Active After Schools Program, schools were able to run sports during, before or after school. VWA ran clinics at most of the metro schools requesting Volleyball.

18 Sporting Schools Volleyball Programs (169 sessions with 1087 participants) were

conducted for the year. The online foundation (Level One) coaching course which was developed late in 2015 will enable more coaches, metropolitan and regional, to gain national accreditation to run sporting schools programs in 2016.

Spikezone

Following the 2014 review, a Spikezone Agreement was developed for the volleyball providers. Two providers and four programs continued at the start of 2015; Northern Suburbs Volleyball Academy (Joondalup Indoor, Malaga Indoor, and Greenwood College) and Rossmoyne Volleyball Club. The Malaga Indoor program did not continue in Term 2.

VWA also welcomed Esperance Volleyball Association as a Provider in Term 3 and their program was started in Term 4 at the Esperance Bowls Club with an astonishing 77 participants.

School Clinics

VWA continued to provide school clinics to both primary and secondary schools. In 2015 VWA conducted 95 clinics for 783 participants. 18 Coaches assisted with these clinics. Once again VWA represented by Rachelle Brammer conducted clinics in Christmas Island. Thank you to the Department of Sport and Recreation who provided funding for this visit. In 2016 a further visit is planned to both Christmas Island and Coco Island.

School Sport WA (SSWA)

VWA and SSWA continue to build a strong relationship with Lynda Merritt an appointed member of the VWA Junior Committee. The VWA calendar provides information for all SSWA competitions, with volleyball being the largest represented sport at their SHS competition held each June. Congratulations to Albany SHS who won both the male and female volleyball trophies. In conjunction with School Sport WA, VWA provides a coaching clinic for the volleyball schools that attend the DHS competition.

Quality Events

VWA and its affiliate clubs and associations provide numerous opportunities for the volleyball community in Western Australia including;

- The VWA Annual Awards Dinner was held on the 19th September at City West Receptions in West Perth. Representatives from all codes of volleyball attended the gala evening.
- The Annual Clubs and Association Conference was held on the 19th and 20th of September with representatives from clubs, associations and Indoor Beach Federation attending.
- The Regional Volleyball Associations hosted numerous volleyball competitions and events. For further information please refer to the Clubs and Associations section of the VWA Annual Report.
- The Indoor Beach Federation provided weekly competitions for social through to Super League level competitors at all eight of their Club venues. They also provided numerous school programs.
- Volleyball WA provided competitive competitions in the following codes;
 - **Beach** (VWA Alcohol. Think Again Beach Volleyball Tour including Juniors, Masters, Mixed Doubles and Schools, Western Australian Junior Beach Volleyball League)
 - **Indoor** (WA Volleyball League [WAVL] including Masters Divisions, Western Australian Junior Volleyball League). In 2015 VWA piloted a four week women's league on Fridays nights.

The showcase competitions conducted by Volleyball WA include the following;

Alcohol. Think Again Beach Volleyball Tour

The 2015 VWA Annual Report covers both the 2014 / 2015 season (January - March) and the 2015 / 2016 season (October - December).

The tour held competitions at Perth Beaches, Inner City Beach (formerly Royal Park) and Regional Volleyball Centres in Busselton, Bunbury and the inaugural tour event in Esperance.

VWA thanks and congratulates Nick Wells (President) and the Esperance VA for their outstanding support for the management and organisation of this inaugural event

In total across the two seasons seven events were held. For the 2015 / 2016 season VWA continued to contract Martin Suan to assist with the tour events. We thank Martin for providing his expertise and knowledge in assisting VWA to continue to improve the delivery of the Alcohol. Think Again Beach Volleyball Tour. 2015 / 2016 saw the continuation of the effort invested over a three year period and the vastly improved delivery of the tour.

The tour maintained its major partnerships with Healthway promoting the Alcohol. Think Again message and Hit 92.9. Thank you to both of these sponsors.

This season also saw the support of The Sunday Times, Perth Now, City of Bunbury, The City of Busselton, the Shire of Esperance, the Department of Sport and Recreation and the Metropolitan Redevelopment Authority (MRA).

VWA was once again successful in securing sponsorship support (\$5,000) from MRA for hosting the Alcohol. Think Again WA Beach Tour State Championships at Scarborough Beach.

WA Volleyball League (WAVL)

71 teams competed in WAVL in the 2015 season. Robyn Fittock once again undertook the role of the WAVL Tournament Director – thank you Robyn, as in previous years your dedication, commitment and technical knowledge is recognised and highly valued.

In 2015 WAVL welcomed a men's team from Busselton Volleyball Association and Mandurah Baptist College affiliated with Mandurah Volleyball Association to enter teams into WAVL.

Thank you to Dani Francis (Chairperson of the VWA Referee Committee) and the VWA Referee team for ensuring that the competition was provided with high quality referees throughout the season.

Thank you also to the Metropolitan Club and Busselton and Mandurah Association Presidents and their Committees, your ongoing support and commitment is essential for the success of WAVL.

WA Volleyball Junior Leagues

In 2015 VWA conducted Junior Leagues in the inaugural Beach (WAVJBL – 16 teams) in Term 4 and the Indoor (WAVJL – 60 teams) in Terms 2 and 3. Thank you to the many clubs and schools that entered teams into these Leagues.

VWA also conducted the following competition events for the volleyball community in Western Australia;

VWA School Competitions

In 2015 VWA provided the following School based competitions;

- **Alcohol. Think Again Senior High School Beach Championships – March 2015** (39 teams)

- **High School Indoor Competition – March 2015** (39 teams)
- **Western Australian Schools Cup – September 2015** (160 Teams)

VWA State Championships

Each year VWA hosts two State Championships one for each of the codes of beach and indoor volleyball.

For beach volleyball the Alcohol. Think Again State Championships was held in January 2015 at Scarborough Beach.

For indoor volleyball the VWA State Championships was held across the June long weekend at the Loftus Recreation Centre.

AVL in Albany

VWA and Albany Volleyball Association (AVA) were successful in receiving a Country sport Enrichment Grant of \$30,000 from the Department of Sport and Recreation. This grant assisted the sport to be able to host one of the AVL fixtures in Albany.

In conjunction with the AVL fixture the opportunity was also taken to host the following activities in Albany;

- A coaches and referee forum.
- Assessment opportunities for coaches from Albany and Esperance Volleyball Associations.
- Assessment opportunities for referees from Albany and Esperance Volleyball Associations.
- Showcase games between Albany and Esperance Volleyball Associations.
- School and Junior clinics for 555 junior athletes.

A very special thanks to Aaron Bailey (AVA President) and the AVA Committee for their commitment and professionalism in assisting with the hosting of this fantastic event.

Pathways

2015 continued to see a significant focus being placed on conducting both Coaching and Referee Education Courses.

Four Level Two Coaching courses (previously Level One) saw 81 participants receive their National Accreditations.

11 Referee Courses were conducted in for 206 participants.

A special thank you to the following VWA Course Presenters;

- Coaching: Amanda Combes, Mitchell Collins, Cameron Edwards, Gavin Lewis, Steve Petsos and Martin Suan.
- Referee: Danielle Francis, Renae Harvey, Marta Makuch, Stephen Page and Derek Scales

In 2015 Volleyball Australia introduced their new Education Course framework which in turn was introduced to the Western Australian clubs and Associations and their coaches and referees. Unfortunately there have been seen some unforeseen delays in the education framework roll-out which have impacted significantly on the ongoing delivery of these courses in WA.

However, VWA was heavily involved in the content development, testing and trialing of the new Level One on-line coaching course which will be introduced in January 2016. Special acknowledgement and thanks to Jasmin Karwacki, Helen Shields and Karen Wickham for all their work in this producing this course.

An additional focus for 2015 was the development of volleyball Professional Development sessions for teachers which will commence in January 2016.

With both the on-line course and the teacher professional development sessions

in place, 2016 will see volleyball guidance and education being provided to teachers and CaLD providers in Western Australia.

From a VWA State team perspective, VWA administer and support the following three levels of State team programs;

- Australian Volleyball League (AVL)
 - WA Hornets (Men)
 - WA Pearls (Women)
- WA – Junior Beach State Team
- WA – Junior Indoor State Team

In regards to the National Beach Tour events, the teams (2 persons) make all administration and management arrangements. In 2015 due to scheduling errors by Volleyball Australia a National Beach Tour event was not held in Western Australia. This was a significant disappointment to the Western Australian Beach volleyball community. We look forward to hosting this event again in 2016.

Australian Volleyball League (AVL)

The AVL was conducted from October – November 2015 with three home rounds against the Adelaide Storm (SA), VVA Vultures (VIC), Uni Blues (VIC).

Congratulations to Cameron Edwards (Head Coach), Travis Luff (Assistant Coach), Craig Butler (Manager), Mark Peterson (Captain) and all the VWA Hornets athletes for their fourth place in the 2015 season.

The 2015 season saw VWA able to field a WA Pearls team. Congratulations to Angie Ayers (Coach), Audrey Hipple (Manager), Tenille Ryan (Captain) and all of the athletes for their commitment to the team.

VWA acknowledges and congratulates the AVL Working Group, and all the coaches, players and referees who were selected to represent Western Australia in the AVL competition.

WA – Junior Beach State Team

The Australian Junior Beach Volleyball Championships (AJBVC) was held in Glenelg, SA from 9-12 April 2015.

16 teams represented Western Australia at this event with teams entered in the following grades;

- **U23 Men**
- **U23 Women**
- **U19 Men**
- **U19 Women**
- **U17 women**
- **U15 Men**

Our coaches for the championships were Martin Suan (Head Coach), Gareth Bowen, Jayson Fox, Melissa Kennedy, Rory Read and Mark Van Winsen. The tour Head of Delegation was Nick Bew.

Congratulations to the following medal winners;

Jonathon Hunt & Caleb Watson
(U23 Men – Bronze)

Sophie Dixon & Shelby Maher
(U23 Women – Bronze)

Gregory Hunt & Mitchell Lewington
(U19 Men – Silver)

Waverley Burling & Momoka Hadrell
(U17 Women – Silver)

Riley Fissioli, Caleb Lampard & Ky Landers
(U15 Men – Gold)

WA finished fourth in the Andy Burdin Shield.

WA was also represented by three referees at the tournament; they were Justin Blades, Irene Alonso Chartier and Sam Delany.

WA – Junior Indoor State Team

The Australian Junior Volleyball Championships (AJVC) was held in Canberra, ACT from the 29 September – 4 October 2015.

Head of Delegation for the Championships was Robyn Fittock and VWA entered four teams* to represent Western Australia. Teams were entered in the following grades;

- **U19 Men**
Coaches:
Steve Petsos & Mitchell Collins
- **U17 Men**
Coaches:
Travis Luff & Jimmie Mok
- **U17 Women**
Coaches:
Rachelle Brammer & Darren Beltman
- **U17 Women Development**
Coaches:
Carly Walters & Darren Beltman

*In 2015 Volleyball Australia made the decision to remove the U23 Division from AJVC. In 2016, Under 15 Divisions will be included.

Congratulations to the following medal winners;

U19 Men – Silver

U17 Women Development – Bronze

All Stars: Waverly Burling, Nicolas Butler

WA finished fourth overall in the Presidents Cup.

Special acknowledgement to Star Physio, who sponsored the WA State team by providing the services of physiotherapist Tara West for the duration of AJVC. In 2015, Star Physio also included significantly reduced (40%) physio screenings for all athletes attending AVL, AJBVC and AJVC.

Congratulations to the following referees who represented Western Australia at the AJVC;

Irene Alonso Chartier, Aaron Bailey, Stuart Carr, Danielle Francis, Stephen Page and Renae Harvey.

Clubs, Regional Associations & Federations

Albany Volleyball Association Aaron Bailey (President)

2015 has been a proactive year for the Albany Volleyball Association. Not only just having to govern and foster, but pushing the developing aspect of volleyball in our region. So much so that Volleyball WA have noticed and awarded the AVA, Regional Association of the Year for 2014!

Along with assistance of sponsors, Volleyball WA and Department of Sport and Recreation, the AVA has been able to add many dates to the calendar, allowing training and stability in the foundation of the association,

2015 was the first year that some AVA members (two teams) participated in the Alcohol.Think Again Beach Volleyball Tour. Making the trips to Perth, Bunbury, Busselton and the picturesque West Beach of Esperance.

The indoor season saw a total of 28 teams competing in the junior, men, women and social competitions.-

Albany has continued its tradition of attending the WA State Championships with two teams attending. Three teams attended the Collie Coal Cup.

In November 2015 round #7 of the Australian Volleyball League (AVL) was hosted in Albany. The VWA Pearls and VWA Hornets along with teams from Victoria played games their games at the Albany Leisure and Aquatic Centre. On the Friday before the AVL games, members of the teams delivered school clinics to over 500

students and the coaches delivered a junior clinic on the Saturday morning to 52 junior players. A referee and coaches forum was also held and opportunities provided for mentoring and assessment of the AVA and Esperance Volleyball Association representatives. AVA worked closely with VWA to obtain a \$30,000 Country Sport Enrichment Scheme grant from the Department of Sport and Recreation which assisted greatly in the hosting of this event. Overall, this was a significant opportunity for the Association and one we are very proud of.

The affiliation between the AVA and VWA is a strong one, having good ties with our state body will be a major benefit to our association in years to come. VWA have funded a new database system that would greatly help the Management Committee of the AVA. This database will be online with members' details, nominations and payments all being collected in the one spot, saving multiple committee hours and making members interaction to the association easier.

Lastly, Nick Bew was awarded a VWA Life Membership this year – congratulations Nick! This was presented by Paul Prindiville (VWA Board member) to Nick at the AVL games held in Albany, making it a special occasion for the entire AVA community.

Balcatta Volleyball Club **Holly Trpcevska (President)**

The 2015 WAVL season would be best described as a year of significant change. The incoming committee was faced with a number of noteworthy challenges prior to the season's commencement, requiring immediate attention to keep the club afloat in the evolving Volleyball WA landscape. As a committee we agreed that building upon club culture would be pivotal for our success and that we wanted our community to be connected, from our Super league teams, down through to our Junior ranks.

As a club we focused significant attention to the grass roots (and future) of our membership base - our junior program. We appointed two Committee members to overhaul and oversee the program and promoted the role of Junior Development Officer to an executive position. I feel strongly that the groundwork completed this year will set Balcatta up to thrive in the coming seasons, a testament to the tireless work of our dedicated committee.

A significant milestone in the Club's history fell this year with 2015 marking our 20th Anniversary Celebrations. The club also hosted the annual Northern Derby Home Round at Newman College and as always, our Superleague teams put on a great show with some fantastic volleyball and thrilling matches.

The 2015 season was a year of rebuilding and as a result our performance as a club was weaker than in previous years, but saw an injection of some fantastic new talent into our ranks for the years ahead. We also have some individual successes to celebrate. The coveted VWA Indoor Women's Most Valuable Player was awarded to resident superstar Zala Verbole who took home the honour in a landslide of votes and with Daniel Fitzgerald and Jason Gonsalves from our Trinity Junior program also taking out MVP's of their respective age

divisions. As my tenure as President comes to an end, I would like to take this opportunity to firstly thank our members for choosing to be a part of the Balcatta family this year and also thank our dedicated coaches and club officials for their efforts with many taking on multiple roles within the club.

Bunbury Volleyball Association **Sue Seymour (President)**

Bunbury Volleyball Association (BVA) experienced a good year in 2014/2015 with good participation across all beach & indoor competitions. We were delighted to welcome back our major sponsors South West Personnel and LGM Industries who again financially underpinned the season and enabled us to host the Alcohol.Think Again State Series event staged at Koombana Beach. Thanks also to VWA for all their support given to the BVA Committee.

Bunbury Indoor competition in 2015, like last year was very evenly matched between the teams, the participation of the school teams and the overwhelming sense of development, cooperation and community has again resulted in a great vibe at the South West Sports Centre on Wednesday evenings.

Volleyball remains in good shape in the Bunbury region, and we continue to develop players / coaches / officials in a safe, fun and accessible environment. The forthcoming year will see us build on existing strengths and develop our members.

Busselton Volleyball Association **Tyler Gow (President)**

2015 saw another reasonably solid indoor season with six evenly matched A grade teams, 12 A reserve and six social teams. It was a very even competition across the board resulting in some of the toughest and most competitive finals the association has had to date!

2015 Annual Report

The Men's WAVL team had a great first year winning Division One and only dropping one game for the entire season! A great effort by the players travelling to Perth every Sunday.

The beach season was slightly down on numbers from last year's record breaking season however still very solid with 26 teams competing in our two a side comp and again 26 teams in our four a side comp.

The 14th annual Alcohol Think Again State Series event came and went again with another great showing of top level teams from Perth. It's really great to see the local teams representing Busselton in all grades from our local stars in AAA to our first time junior players in A grade!

Our AGM saw a change in the committee for 2016 with myself, vice president and secretary stepping down. A huge thankyou to the outgoing committee members – Renae Bessel (Secretary) & Callum Burwood (Vice President) for all their efforts for the association over the past couple of years! Congratulations and welcome to the new committee for the upcoming year!

Collie Volleyball Association Kyle Hulls (President)

In 2015 the Collie Volleyball Association presented Life Membership to Debra DeAngelis – we congratulate and thank Debra for everything she has done for the Collie Association over her many years of service to the Association.

On the weekend of the 8 & 9 August 2015 Collie Volleyball Association hosted the 26th Collie Coal Cup, 40 teams (an increase of three teams) from around the state attended the event. Congratulations to the winners Men A grade (50 Shades of Bucks), Women A grade (Saggy Sisters), Men A Reserve grade (Team Green Apple), Women B grade (Bunbury) and Men B grade (Indian Stars). Due to the ongoing increase of numbers, in 2016 Collie

Volleyball Association will be introducing a Women's A Reserved grade. As always the volleyball function was very well attended and everyone enjoyed the evening.

Beach Volleyball is continuing to grow with our maximum number of teams reached again with many new faces, they are all mixed teams and is a very social affair. In 2016 our objectives are to grow our indoor competition and increase our membership.

ECU Chequers Volleyball Club Kalina Bartlett (President)

Following on from a very successful 2014, the 2015 year proved a little more problematic for the ECU Chequers Volleyball Club. There were a lot of changes to the WAVL competition to navigate through, including revised by-laws, greater club responsibilities and increases in the fee structure.

As a Club, we pride ourselves on always responding to Volleyball WA requests for feedback and we submitted a number of reports, providing feedback on all areas; including the competition by-laws and fee structure. This feedback was always considered the input from our members and we strongly voiced our member's opinions in regards to many of these areas. Our members can be proud of their committee and the fact that we always raised their concerns and worked tirelessly as advocates for them. Volleyball WA would acknowledge that as a club we always provide feedback and constructive criticism on behalf of our members regarding all relevant issues.

Thank you to all of our members who gave us feedback and support when needed.

Considering the new environment we had to operate in and some of the changes imposed on the clubs that we had to work through, the club came through the year very successfully.

As always we were very proud to be able to provide every one of our teams with committed coaches and great support from our committee. At the start of the year ECU ran our own coach course specifically for our club and school team coaches, this was a fantastic way to set up our coaches for a successful year. We were asked by some clubs if they could send candidates to our coaching course, and we were happy to assist. We are proud that as a club we are always willing to help other clubs.

In the WAVL competition we had a total of nine teams. We had mixed results, with five of our teams making it through to the finals, and our Division Two women's team winning the grand final.

In the WAJVL we continued to build our associations with Mt Lawley SHS and Iona Presentation College. We had a total of six teams playing in the WAJVL (from these two schools). ECU Chequers is one of the few clubs that manage the whole process of WAJVL teams. We organise the try outs, the team selections, the coaches and all the players (and parents) and all communications throughout the season for our affiliated schools. We recognise that school teachers are very busy and the only way to support them is to take on all the administration and operating of the school teams. This is what we believe all clubs will need to do in the future to make sure that school teachers and students, choose volleyball as a sport to play instead of other sports. The feedback from both our schools has been exceptionally positive.

As a club we endeavour to provide our members with a complete experience at our club and as such we are very proactive in creating and running a strong social events calendar. In 2015, we held a Club Social night, a Quiz night, social drop in volleyball sessions and separate presentation nights for our WAVL JL and WAVL teams. These functions were well attended by our members and members from the general volleyball community.

Congratulations to all players and coaches who represented Western Australia at the AJVC and AVL this year. It is fantastic to see so many ECU Chequers players involved at the state level.

I would like thank the ECU Chequers Volleyball Club Committee. I know that our committee works incredibly hard, trying to provide the best possible service to our members. You have my sincerest appreciation.

And finally, a huge thank you goes to all our members for your time and financial commitment in playing our wonderful sport.

Esperance Volleyball Association (EVA) Nick Wells (President)

In 2014/15 Esperance Volleyball Association (EVA) continued to strengthen and grow the volleyball activities throughout the Esperance region.

The executive committee saw several new members join in key roles. I would like to thank all the committee members for their outstanding efforts over the last year.

I would like to thank all of our members that played indoor and beach during 2014/15. Both seasons were very successful. I would also like to thank the EVA representative teams that traveled to Perth & Collie for indoor.

This year EVA has acknowledged the high priority from VWA & VA to increase the number of Accredited Officials & Coaches. We are actively encouraging Officials & Coaches to become accredited and providing support in doing so.

One of the highlights was the opportunity to host a round of the VWA Alcohol Think Again Beach Tour in Esperance. An extreme amount of work from the EVA committee went into this event to make it successful. We now look forward to the 2015/16 Esperance round.

EVA has also recently introduced a Junior Co-ordinator. Nicole Fraser has taken on this role and has delivered EVA's first ever Spikezone program with great success. 80 children from the region have participated in a 10 week program throughout term 4.

All of the above success led to EVA being named Regional Association of the year at the 2015 VWA awards night. It has been once again a pleasure to serve as the Esperance Volleyball Association President.

WA Indoor Beach Volleyball Federation (IBVF)

Mark Johnson (President)

The last 12 months has been one of our toughest periods we all have had to face in the IBVF Industry.

The downturn in the WA Mining Economy has finally flowed through to all our centres, and we collectively have had to adjust our belts and prepare for the difficult times ahead.

There has never been a more important time for all three codes of volleyball to work harder together as a united family to improve our image and awareness to the greater community as a whole.

Diversification is one area that the IBVF will be looking into, for the tough times ahead. The IBVF has taken action to bring on board an administration officer to help us move forward to improving our back of house policies, with a very large portion of the intellectual property coming from Volleyball WA. The sharing of the important and valuable information from both sides has proved that the relationship between the codes has never been stronger, and may the synergy continue to flourish now more than ever.

The introduction of these new policies means we will now be able to offer to community groups, minority groups, church groups etc. and the opportunity to come in

and enjoy what we have to offer, thus improving the awareness of volleyball to a wider range of community organisations, especially for the entry level player who is just starting their volleyball journey.

The road ahead for the IBVF maybe a hard one, but the challenge will be a welcomed one and we look forward to our continued relationship with volleyball WA and we are ready for the year ahead!

Mandurah Volleyball Association Charlie Grigio (Club Development Officer)

The year started with a meeting and 'flying' visit from Robyn Kuhl in April to discuss items such as the affiliation package, player insurance, an MBA request to play in the PVL and funding opportunities. The outcomes from this meeting saw MVA enter into an MOU with MBC (yes I know, lots of acronyms!) to allow MBC to enter teams into the Perth volleyball league under the banner of MVA.

We also completed a club grant application in the fastest time ever, which allowed MVA to update the web (mandurahvolleyball.com) and logo to assist with marketing opportunities and club management; we also hope to utilise the newly created team registration section on the web for the local competition, perhaps even for our annual tournament in the future!

Player insurance was also tabled and it was agreed to include an amount in the player nomination fees for the upcoming season; the fees structure detailed each item covered, including the insurance cost per person. Robyn also flagged a new club portal to be implemented which will give access to a player database, signalling the end of cutting down the trees to support paper-based nominations to play volleyball in the WA Perth league.

Our season commenced in May with nine teams nominated, an excellent result

considering MBA were now playing in the Perth league; we did however still have many students playing in our local competition. The AGM was held in June, and along with the normal office bearer elections, we also accepted our amended constitution which has been endorsed by the Department of Commerce, Associations and Charities Branch, with some recommended changes at the next available time; also noting the Act will be amended in the future.

The season ended in September with Serves you Right taking out the A Grade final against Willy Wag Tails, and ACBC winning the B Grade against Hot Potatoes; MVP for the year went to Rob Haake, Oliver Williams was our most improved and Charlie Grigio took home the sportsmanship award. Congratulations are extended to all players for the manner in which the competition was played, and to the award winners. We also must make mention of our tireless committee members, many of whom have offered years of continuous and exceptional services (too many to mention here but visit the web site 'Contact Us' page and they are all there!).

Northern Stars Volleyball Club **Jason Bell (President)**

It was a pleasure to hold the position of club president for the second year running. As a club we have faced significant challenges which have been overcome with a breeze through the support and dedication of our strong committee. The club wouldn't be what it is today without the sacrifices and investments made by all involved.

Juniors: We have had fantastic support from local high schools/colleges including Servite College, Prendiville Catholic College, St Stephens School and St Marks Anglican Community School. Affiliation with these schools and the support of teachers and parents has increased the opportunity to develop the future stars of the game.

- Boys U/19 – Prendiville College coming first. Sean Wales overall MVP.
- Servite U/15 women runner up to Balcatta Mercedes – Gabbi Saraceni MVP
- Women's U17 ranked 3rd
- Girls u/19 St Stephens Blue 2nd, St Stephens Black 3rd

Coaches: Well done to all our coaches and special shout out to all who attended coaching courses through 2015. A lot of emerging players have stepped up to fill a coaching roles along with a few well experienced members of the volleyball community.

AVL: Our club continues to support the VWA Hornets and Pearls in their ongoing pursuit for the top spot amongst the best in the country. Special mention to James Clinch and Hamish Hazelden for representing the Hornets team and Kate Ganz, Amy McIlroy and Carly Walters in representing the Pearls this year.

WAVL: Our club held modest success in the 205 season.

- Men's Super League taking out Gold again, their 3rd in a short five years.
- Men's Super League Reserve losing the final in 4 sets to UWA.
- Division 1 men gaining a Silver against a strong Busselton side
- Women's Division 3 NS Servite coming runner up.

Home Rounds: We held our first home round at Warwick Stadium with great success. Warwick Stadium is looking to strengthen our relationship with us potentially training throughout the 2016 season and hosting 2-3 home rounds.

Joondalup Indoor Beach: Thank you for the continued support from Joondalup Indoor Beach, who also had great success this year with the Shark's winning Indoor Beach SL team men and Indoor Beach SL mixed.

2015 Annual Report

Overall I would like to take this opportunity to say another thank you to everyone involved in making our club what it is today.

Northern Suburbs Volleyball Academy **John Sewell (Owner)**

The whole year was dedicated to promoting Volleyball to Primary aged children as per referral's from VWA and connections at Joondalup Indoor Beach Centre, providing assistance in up skilling adults at Joondalup Indoor Beach and attending to Active after School (now Sporting Schools) Coaching Clinics as per referrals from VWA.

Spikezone has been very quiet in 2015 with numbers down on last year's attendances. My intention is to focus on less schools but closer to the Spikezone venue with greater presence and frequent visits to these schools, thus making it more convenient for parents.

Many discussions and meetings have been held regarding our overall involvement at the new Warwick Stadium where NSVA coordinates the social competition. Assistance has also been provided to Northern Stars Volleyball Club where requested, particularly in the school follow ups.

NSVA has been proactive in promotional matters with several advertisements placed in Community Papers, signage on vehicle, promotional notices on Community Notice Boards and the distribution of Spikezone promotional Flyers.

North West Volleyball Association (NWVA) **Kane Otto (President)**

2015 was of busy year for the NWVA with the transition of the new committee coming in and the old guard of Bruce and Sara Simpson leaving town. Bruce and Sara over the years have moved the association from strength to strength since the club was founded, they will be sorely missed. The 2015

season was a great success with five A grade teams and six B grade teams playing through both indoor seasons with heated competition between new up and comers "Home Dogs" and "Tom Yum Goong" Playing it off in the finals in A with Tom Yum Goong coming out on top. B Grade also had a great match up between "Scared Hitless" and "Spike Me" with Scared Hitless punching through for the win. Beach volleyball was also run with a few teams competing for glory in the sand through a whole lot of sweat and tears.

No rest for the wicked with the end of the season seeing our social coordinator Goong begin organizing scratch matches on the Wednesday night to keep club members skill levels up. Also Goong began running Saturday morning training sessions. Both sessions where well received with plenty of participation from both A and B grade members. This has been run consistently through the off season. It has been great to see everyone's skills improve with many B grade players who attend, moving up into A grade for the 2016 season.

Looking forward the club is in the throes of working out the 2016 season. We have combined our two indoor seasons and created one long winter comp which has seen a few more new teams enter and also B grade teams moving up to play A. Beach volleyball is currently being run in coordination with the Leisureplex to increase the competition size. From all accounts this is working really well with more teams and more fun. We have also started training our country week teams both male and female and hope to see everyone down there in June for some heated competition.

Perth Beach Volleyball School **Martin Suan & Rory Read (Owners)**

PBVS was very pleased with its club member's results in 2015.

Cole Durant developed further on the international stage with two 9th places at FIVB Open events. The first was with fellow PBVS athlete Casey Grice in China and the second with former Dane Bo Soderberg in Brazil. Durant and Soderberg also won an Asian Volleyball Confederation Tour event in Indonesia. Nationally Durant and Grice were consistent finalists on the Australian Beach Volleyball Tour and finished the season as the second ranked team.

PBVS also was well represented at junior international level. Paul Burnett and Greg Hunt were both selected to represent Australia on Volleyball Australia's U19 USA tour. Marty Suan was also the head coach of this trip. Marty Suan was also an employee of the Association of Volleyball Professionals First Division and facilitated our club members having an international tour. The final event was the AVP First Manhattan Beach Invitational in California. Waverly Burling, Dillon Harvey, Tyana Johnson, Taylah Stewart, Olivia Stewart and Ellie Sloan all gained valuable international experience.

PBVS athletes once again formed 80% of the VWA AJBVC state teams with the following athletes winning medals: Momoka Haddrell – Silver U17 Women, Greg Hunt Silver U19 Men, Jonathon Hunt Bronze U23 Men and Shelby Maher – Bronze U23 Women. Special mention to our U15 boys who comprised the entire three-man team and won a gold medal. Congratulation to Fissioli, Lampard and Landers on their fantastic result. They were the only national champions in volleyball from WA in 2015.

At WAJBVC PBVS had three of the top four teams in the men and women at both U17 and U19 level including all of the winners.

On the state tour PBVS had both teams in the final of the AAA events in Bunbury, Busselton, Esperance, Cottesloe and WA Open for men. The men also won the Inner City Beach Open and Scarborough. The athletes that were involved in these results were Durant, Grice, Halley, J Hunt, Irwin and Kingston. For women's AAA we had all PBVS finals in Esperance, Inner City Beach Open, Scarborough, Cottesloe and WA Open – the athletes involved in this group of results were Anderson, Atthow, Kennedy, Maher, McIlroy and West.

Our final success came playing in the WA State Championships for Indoor Volleyball. PBVS teams won both the men's and women's A grades and as a result won the overall championship.

Perth Coastal Volleyball Club **Beth Williamson (President)**

2015 was a year of ups and downs for Perth Coastal, the club began the year with a new President, Beth Williamson, and after some unexpected resignations from our committee we were operating with low numbers in our leadership team. The club would like to thank in particular, Brigitte Fee, Tristan Holden and Brett Lewington for all of their efforts this year, we could not have functioned without all of your hard work.

Early in the season PCVC was successful in obtaining a Governance and Development Grant from VWA which was used to fund the implementation of Paypal on the club website for receiving and processing club fees and uniform payments, and funding several club members though coaching courses. This has greatly reduced administration time for our Treasurer and has provided the club with 4 additional Level 1 coaches and 3 Level 1 coaching candidates. PCVC also held a movie night mid season which was successful in generating additional funds for the club.

2015 Annual Report

The availability of coaches within the club has been a big concern for the club this season and PCVC will continue to focus on increasing coach numbers in 2016 by looking both externally and internally within the club.

In terms of performance 2015 was a year of mixed results, our men's senior teams performed well this year with Super League and Super League Reserve both qualifying for finals. Unfortunately the super league team was knocked out by Northern Stars and finished 4th, Super league reserve were able to progress through the first round but were edged out of the grand final by a strong UWA team.

2015 was again a development year for the women's program. With a few senior players returning to the club and most of our new players from 2014 staying on for another season we saw gains in super league with some wins on the board and some strong performances from super league reserve.

PCVC was able to field record numbers of junior teams this year. This was one of our biggest achievements for the season as juniors represent the future of the club. PCVC was this year affiliated with Aquinas, Methodist Ladies College, Santa Maria, St Mary's and Penrhos; fielding 13 teams at the start of the junior league season. Unfortunately Penrhos was unable to continue into term 3 however our remaining teams had promising results.

Special mention to our Aquinas teams who made finals, one of our under 15 teams finished 4th and the under 19 and under 17 boys finished 2nd and 4th respectively in the under 19 division, a great result. A big thank you goes out to all of our junior league coaches and staff members from our affiliated schools in particular Mike Dempsey and Lauren Watson.

Rossmoyne Volleyball Club **Peter Baffy (President)**

2015 saw further successful development of the Club's Strategic Plan.

The culmination of this for us was our Women's Super League team dominating their Division of the WA Volleyball League, losing only 1 match during the whole season. Our Women's SL Reserve team also lifted to win their Championship match against our WSLR Masters. Other Senior teams were very well placed, as were some of the Junior League teams. Overall we were very pleased with the teams and their Coaches, and thrilled to be awarded the **2015 Robyn Fittock Champion Club** award.

Across the span of Leagues and teams Rossmoyne and our affiliates entered a total of 20 teams across Senior WAVL and WAV Junior League. Another 40+ Primary School kids availed themselves of our SpikeZone program.

The (School) Term4 saw a large number of Juniors still keen on attending Indoor Training, so we implemented a "Drop-in Clinic" each Wednesday, along with a Friday "Scratch match" for any interested member. This was enthusiastically attended, as was the SpikeZone program, which was being played on the Beach Courts.

We further increased our efforts to ensure all our Coaches were AVF accredited, with a number to the top level. A large number are awaiting the next Top level course to be run in WA. This has resulted in a really strong effect on our teams.

Our Club remains very receptive to the desires of any person to join us to play volleyball, and makes every effort to place players in the Team that best serves the development of their individual Volleyball skills, the synergistic effect on the team and the betterment of the Club and Sport.

2015 Annual Report

RVC looks forward to the 2016 Indoor season, and is also confident we will see more players of all levels using the Beach Courts as the 2016/17 Beach Season gets underway.

Rossmoyne remains resolutely committed to the ongoing development of top quality Players, Coaches, Referees, and all other Officials, within the VWA Code of Conduct.

Southern Cross Volleyball Club Steve Page (President)

In 2015 Southern Cross Volleyball Club had just under 100 members playing in 12 teams in the WAVL. The club was reasonably successful on the court with half of our teams making the finals, unfortunately none made it to their respective grand finals.

The club continues to maintain a good relationship with our affiliate school in Wesley College. In 2016 we will be looking to establish similar relationships with other schools in our area.

On an individual achievement two of our members, Danielle Francis and Stephen Page were awarded Volleyball WA Life Memberships in recognition of their services to volleyball, at the Volleyball WA annual awards night.

University of Western Australia (UWA) Volleyball Club Stuart Carr (President)

2015 was a very successful year for the UWA volleyball club on and off the court. All of our 20+ teams, from under 17s through to Super League, performed incredibly well and represented the club with competitiveness and sportsmanship. Thank you to each and every coach for their invaluable commitment and passion for the sport.

Our indoor club saw the formation of male and female super league squads, made up of our top 20 athletes competing in super league and super league reserve. Each squad was offered two trainings per week and players were picked on a week to week basis. We will be continuing the same approach for 2016.

We value our relationships with our affiliated high schools, Christ Church, Perth College, Perth Modern and PLC and look forward to working more together in the future.

After much feedback regarding our beach volleyball club we split trainings into elite and competitive. The elite trainings ran over two mornings a week and were run by top player coaches who provided exceptional instruction and experience to our state series level players.

Once again, UWAVC ran our wide range of social events. From quiz night to cocktail party and hosting four home rounds to running social drop-in volleyball every Saturday. Thank you to every member of our social and executive committees for all their time and outstanding vision and support for the club.

We are very excited for 2016 and expect bigger and brighter things!

2015 VWA Results

2015 WA Volleyball League (WAVL)

Grand Final Results

Women's Super league

Rossmoyne d UWA
3-0 (25-18, 25-21, 25-21)
