Why Become a Member of Volleyball WA?

Volleyball WA (VWA) is the governing body of Volleyball in Western Australia, striving to develop our sport at all levels. It is a requirement that anyone playing Volleyball in Western Australia has a valid Membership with VWA. As identified in this document, there are several VWA Membership options available to anyone wishing to play Volleyball.

The difference between a Club Membership and a Volleyball WA Membership

- Volleyball Clubs and Associations are required to hold a current Affiliation status with Volleyball WA to permit them to conduct volleyball activities in Western Australia.
- Volleyball Clubs and Association make decisions and set their own fees and they are payable directly to them and are separate to the VWA Membership Fees.
- Volleyball Clubs and Association fees are generally set to cover costs associated with the delivery of volleyball such as venue hire, equipment and uniforms, coaching fees and administrative costs.
- To understand more about your Club or Association fees please contact them directly.

Annual VWA Memberships (begins 1 April and expires 31 March) are purchased directly through the VWA Member Portal (from the VWA website). During this process you can identify the Club/Association you will be playing for during the year, this allows VWA to pass your details onto your chosen Club/Association to assist them in their administration.

Access to events and competitions

Volleyball Australia, Volleyball WA and its Affiliates (Clubs and Associations) provide a wide range of events and activities for all skill levels. The sliding scale of VWA membership has therefore been developed dependent upon the level of events and activities that you may wish to participate in.
