			<ul style="list-style-type: none"> Rory raised Reds and Rossmoyne collaboration for certain divisions dependent on numbers, considering they are the two biggest WAVJL schools – easy correspondence and movement of teams to suit draw and promote playability and competitive gameplay. <ul style="list-style-type: none"> Meeting with Fergus (Reds JL Coordinator) and Rory. Kenrick added same application for WASC. <p>Referees - Updated names for VA Level 2 Referees & Coaches:</p> <ul style="list-style-type: none"> Level 2 Associate Referee (previously Level 2 Candidate) means you have completed your L1 Online Course and attended your Level 2 Course in person – referees can stay at this level if they want. This will have a new pay rate (higher than \$5 honorarium - TBC) which will assist us in finding more WAVJL referees at this level. Level 2 State Referee means you have completed your Level 2 Course (this is equivalent to our current Level 2 Referees). <ul style="list-style-type: none"> Gilmore to run course to fulfill VA requirements – generates big numbers (22) for interested refs that can be used for JL. Implement at Penrhos, Rossmoyne, Aquinas etc. Schools encouraged to get L1/L2 in preparation for Schools Cup. Must have qualification anyway. Rory raised previous issues with course effectiveness. Make more interactive, applicable, etc. Balance between greater practical element and fulfilling VA requirements. Run school courses earlier to fulfill referee requirements for JL. Greater inclusion of ‘test games’ to boost confidence. Opportunity for students to attend Loftus games for experience. Organise through Oli (Chief Referee). Alleviates lack of interest 	<p>RR to email Fergus Milsom (Reds) to organise potential meeting.</p> <p>JF to contact Ryan Gonsalves (Gilmore) regarding ref course.</p> <p>JF to provide feedback to Jose’ for next referee committee meeting.</p>
