Kids can transition from Sporting Schools clinics to playing at a Kids Volley Centre. A number of Volleyball WA's affiliated clubs offer Primary School children the opportunity to play the Spikezone version of Volleyball. Additionally, more WA Schools are setting up Kids Volley clinics as after-school programs.

Kids Volley is a fun place for kids to learn, play and socialise. Volleyball is an exciting and energetic activity and a great team sport. It increases coordination and social skills and is a non-contact gender equal sport.

To find out more about how your School can become a Kids Volley Centre contact Volleyball WA's Development Coordinator at metro@volleyballwa.com.au.
