Player Eligibility

All players must be enrolled at the indicated school and may only play for one team during the competition

Duty

All teams will be rostered for 'duty' and will need to provide a First Referee, Second Referee, one Scorer and two Line Judges.

Duty teams are to report to their assigned court on time for the start of warm up.

Duty teams must provide their own whistles for referees.

Game Format

A minimum of three games are guaranteed for all teams in all grades unless under exceptional or unforeseen circumstances.

Round matches are best of three sets with a time limit of 40 minutes, plus 5 minutes warm up.

Incomplete Sets

During round matches, if only one set is completed at the end of time, the team that has won the first set will be awarded the match.

Incomplete second sets will not be counted.

In the case of a deciding third set being unfinished at the end of time, the team with any point lead will be awarded the set and thus the match.
