Kids & Junior Overview

Kids Volley and Junior Volley are entry level volleyball activities for primary or secondary school aged children to teach them volleyball in a fun and exciting way and encourage continued connection with the sport through modified formats. These programs are aligned to the Volleyball WA Athlete Pathway levels F1 – F3 and the Volleyball Australia Participation Framework.

- **Kids Volley (presented by Spikezone)**

  Kids Volley is delivered through Spikezone, Volleyball Australia's entry-level Volleyball program for Kids ages 5-12. It is designed for primary school aged children to teach fundamental movement, skill development and / or competitive play (depending on the centre) using modified equipment. This program typically runs after school or on weekends for 5 to 10 weeks during the school term in the format of a program or league and can be advertised as "Kids Volley", "Kids Volley - Skillz" or "Kids Volley - Play" at the discretion of the centre.

- **Junior Volley**

  Junior Volley can act as an introductory program or progression program from Kids Volley, designed for secondary school aged students 13 – 17 years to develop the fundamentals of volleyball in a fun and exciting way. It introduces participants to standard volleyball rules to help with understanding the game while improving their skills and progressing their volleyball journey. This activity typically runs after school or on weekends for 5 to 10 weeks during the school term in the format of a program or league and can be advertised as "Junior Volley", "Junior Volley - Skillz" or "Junior Volley - Play" at the discretion of the centre. Participants can use their skills to progress from Junior Volley to a Club Program or Social Competitions.

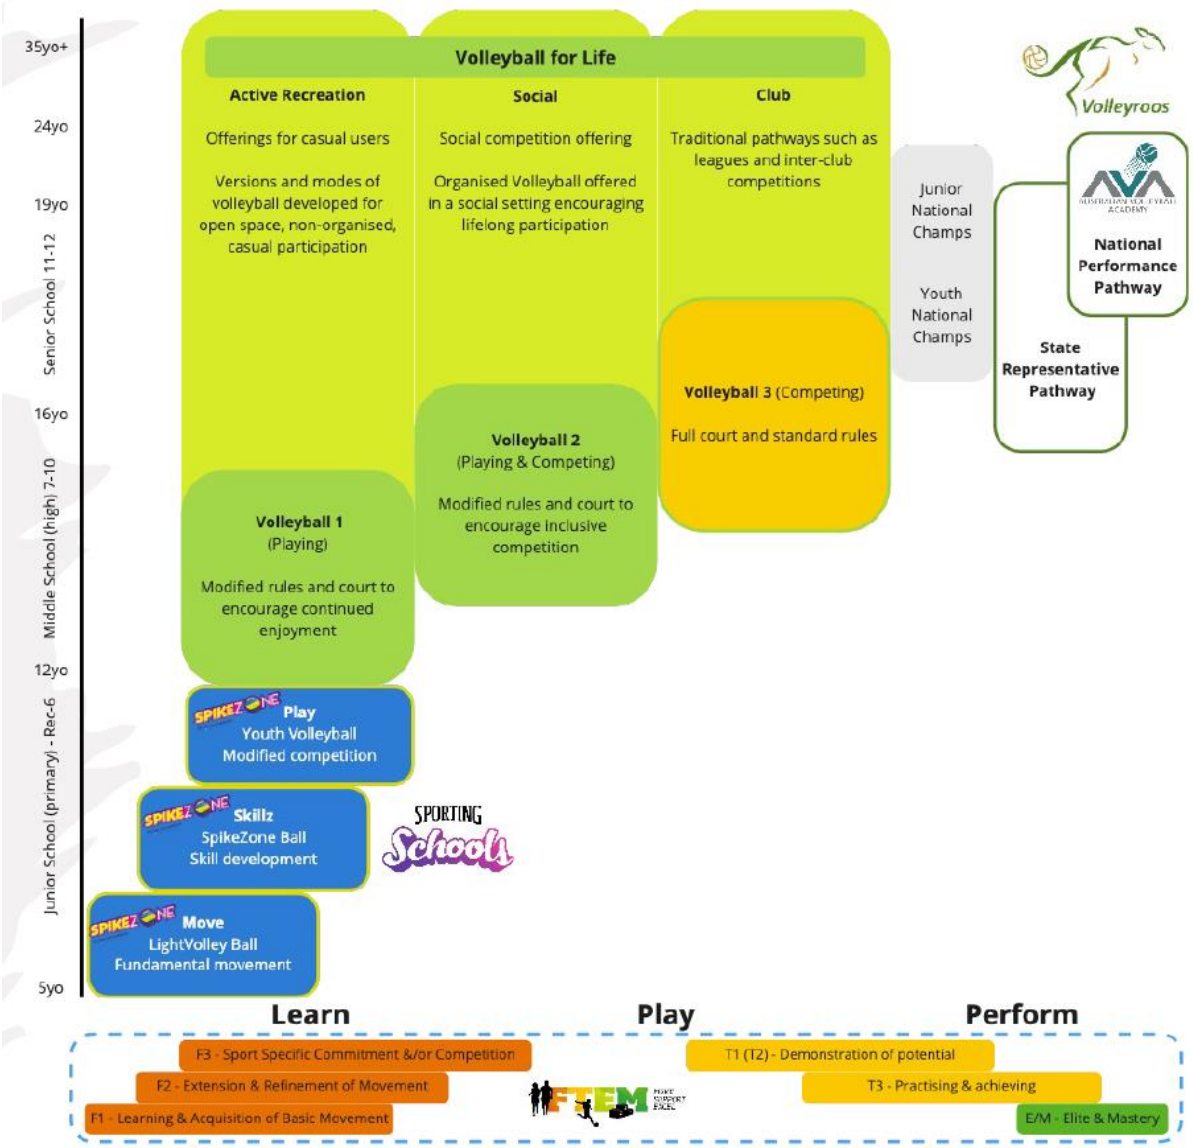

Registrations through VWA Member Portal

All registrations for activities are done through the VWA Member Portal via a weblink, VWA term memberships are automatically allocated (if required) and participant data is automatically displayed in the VWA Club portal. - As per the VWA Membership policy, participants will require a minimum annual U19 VWA Gold Membership prior to the activity which can be purchased by individuals directly through the Fortix Member portal.
- VWA will not accept any member lists from Clubs to be manually processed.
